After-hours Nurse Triage Services by Triage Logic

Children First Medical Group, Inc., would like to re-introduce you to Triage Logic. They have been providing after-hours nurse triage services for over twelve years. Our physician practices are pleased with the outstanding services provided by Triage Logic nurses.

Using the Schmitt-Thompson Nurse Triage Protocols ensures all children receives the appropriate care advice. CFMG has an assigned medical director to assist if there are questions.

If you're interested in learning more about the after-hours nurse triage services, please contact Claudia DeLeon Gabaldon, Executive Assistant/Provider Outreach Coordinator, claudia.deleongabaldon@ucsf.edu or phone (510) 428-3443.
